

**Boys & Girls Club of Oyster Bay-East Norwich  
 Annual Report, Year Ended 12-31-20**

*The Boys & Girls Club's mission is to inspire and enable all young people to realize their full potential as productive, responsible, and caring citizens.*

Dear Friends:

It is with sincere gratitude that we share the impact you had on the children and teens of the Boys & Girls Club in 2020. The work undertaken by the Club since the start of the pandemic clearly demonstrates that what the Club does each and every day is essential to the youth, their families and our community. The Club certainly proved its ability to adapt in the face of adversity. It swiftly transitioned its programs to accommodate its families' needs, while at the same time implementing the stringent and necessary measures to protect the health and safety of members, staff and volunteers. Half and full-day programs were launched when schools closed unexpectedly during the pandemic, in order to accommodate working parents. At the same time, the Club began the important work of reconnecting with Club members, helping them get some normalcy back and making an unsettling time a little more hopeful.

Everything the Club does is designed to help children and teens find success. It is amazing the hope that can be given to a child while he/she is simply playing on the playground, the fun that can be shared in the cutting out of construction paper while in art class, the sense of pride that can be witnessed when a child learns something new, or the self-worth that can be provided by completing a community service project. The word of encouragement, the listening ear, the gentle push to try something new does make a difference. Each of these are simple gifts a child receives every day in a healthy and safe environment at the Club.

Many wonderful things are happening for the children and teens right now, and even more wonderful opportunities are on the horizon. We're grateful for your partnership, but we are even more grateful for your friendship. On behalf of every one of our Club kids, we thank you -- our donors, volunteers, and staff -- for your ongoing commitment.
