FOOD ALLERGIES

The Boys & Girls Club is an allergy-sensitive facility. When choosing snacks and lunch to send with your child, please read the ingredient list on the labels very carefully to ensure that nuts or peanuts are not listed as actual ingredients. Only store bought, prepackaged foods with an ingredient label may be sent to share with other children. This means the product(s) cannot contain peanuts and cannot have the following warnings: "may contain...", "processed in a facility...", and/or "manufactured on shared equipment..." While we cannot guarantee a nut free environment, we will do our best.
