**Congratulations to our Member of the Month for April 2022,

**Summer Programs with flexibility to fit your life and a financial model to fit your budget!**

With the weather becoming warmer, many parents' thoughts are already turning to making summer plans for their children. The Boys & Girls Club of Oyster Bay-East Norwich has flexible scheduling options and helpful ways to save this summer. With our vast array of programs and options to choose from, virtually every family will find a program that fits their schedule, budget, and child's interests this summer. If your child can attend only one week of camp or you require extended hours, you can rest assured that our summer camp can accommodate this. We offer a number of options, such as extended care in the mornings and afternoons, half-day, and full-day hours. We also offer renewal membership rates and sibling discounts. We offer the option to enroll just for a number of days and/or weeks, rather than having to choose and commit to an entire week, month or the whole summer. The Club offers members, who are age 3 years old and toilet trained, to 5 years old and not yet in kindergarten and children in grades K thru 12<sup>th</sup> the opportunity to participate in eight weeks of programs filled with fun activities and events.

**Registration begins March 1, 2022. You may download registration materials at [www.bgcoben.org](http://www.bgcoben.org) or stop by the Clubhouse to pick up registration materials.**
