## Summer Programs with flexibility to fit your life and a financial model to fit your budget!

The Boys & Girls Club of Oyster Bay-East Norwich has flexible scheduling options and helpful ways to save this summer. With our vast array of programs and options to choose from, virtually every family will find a program that fits their schedule, budget, and child's interests this summer. We offer a number of options, such as extended care in the mornings and afternoons, half-day, and full-day hours. We offer the option to enroll just for a number of days and/or weeks, rather than having to choose and commit to an entire week, month or the whole summer. The Club offers members, who are age 3 years old and toilet trained, to 5 years old and not yet in kindergarten and children in grades K-8 the opportunity to participate in eight weeks of programs filled with fun activities and events.

**Registration begins March 6, 2023. You may download registration materials at [www.bgcoben.org](http://www.bgcoben.org) or stop by the Clubhouse.**
